We use [Funnelytics](#) in order to better understand our users' needs and to optimize this service and experience. Funnelytics is a technology service that helps us better understand our users experience (e.g. how they navigate through web pages, how they respond to different web pages, what users do and don't like, etc.) and this enables us to build and maintain our service with user feedback. Funnelytics uses cookies and other technologies to collect data on our users' behavior and their devices (in particular device's IP address (captured and stored only in anonymized form), device type (unique device identifiers), browser information, geographic location (country only)). Funnelytics gives our users the option to specify what data is collected or suppressed. For further details, please see Funnelytics' privacy policy by clicking on [this link](#).
